Subject: Opposition to the proposed Ordinance for Historic Preservation

Please accept this as my opposition to the Ordinance for Historic Preservation which is on your agenda for Monday, April 11th.

My reasons for being in opposition are as follows:

1. When the original survey was conducted among Village residents, there was a "conceptual" idea presented. I believe it is important to survey residents now there is an actual document in front of the Town Council.
2. Those in favor of creating an Historic Preservation Commission state it can be revoked by a vote of 60% of Village residents. It seems if it can be revoked by 60% of residents, it should be voted "in" by 60% of Village residents.

Please vote "no" until property owners have the opportunity to weigh in on issues as presented in this document.

Thank you,
Marcia Angstadt
